**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of Sonic and we are very happy with the service Sonic has been providing. We had waited for many years for ATT to have a fiber line to our house but they didn't. Sonic is a very good company, we don't understand why FCC has to give them trouble. FCC should encourage the competition not to kill it. Without Sonic we might still have to suffer from either a slow speed internet or to pay a very high price. Please give Sonic a green light and let them serve us. Thanks.
